WHAT SPONSORS CAN EXPECT: Our conference attracts the attention of thousands of Asian Pacific American professionals in government, business, and the military throughout the Continental United States, Asia, Pacific, and Europe. More than 500 representatives from virtually every Federal Department and Independent Agency and the Government of the District of Columbia attend, plus visitors and participants from university and college communities, high school students, community organizations and the community in general. Plenary sessions, keynote speeches, and workshops are led by top government officials and managers and Members of Congress. This is the primary national conference scheduled in connection with National Asian Pacific American Heritage Month at the Federal level.

ADVERTISING OPPORTUNITIES: Advertisements in the official Conference Program will be accepted upon availability of publication space. Priority advertising space will be given to Sponsors. Color separated and black-and-white camera-ready artwork must be received **no later than April 1, 2009**, accompanied with full payment or authorized purchase order/requisition. If typesetting, design, layout or paste-up is required, the cost will be charged to the advertiser.
