Dear FAPAC Partner,

On behalf of the Federal Asian Pacific American Council (FAPAC), we are pleased to invite you to support the FAPAC's **39th National Leadership Training Program (NLTP) on May 6-9, 2024, at The National Conference Center in Leesburg, VA.** Each May, the NLTP is organized in celebration of Asian American, Native Hawaiian, and Pacific Islander (AANHPI) Heritage Month and is the largest training event of its kind. The **2024 National Theme is “Advancing Leaders through Innovation”**. The NLTP aligns with the Office of Personnel Management (OPM) requirements as an appropriate training for Federal workforce in accordance with 5 U.S.C. Chapter 41 and 5 CFR 410.404. Through your participation and sponsorship, the NLTP is an opportunity to connect with the AANHPI community, as well as prominent diversity & inclusion champions and practitioners.

Our National Leadership Training Program attracts hundreds of attendees across the Federal, State and DC governments and the Uniformed Services annually. Participants learn from the experiences of senior government officials and subject matter experts through workshops on career advancement, leadership, effective communications, diversity, equity, inclusion, and accessibility. The NLTP also offers free programs and a career exhibition to connect students and Military Veterans with potential employers and broaden their professional networks.

During the NLTP, we will recognize civilian employees and members of the Uniformed Services who have made significant contributions to the AANHPI community. These individuals are nominated by their peers or supervisors and are honored during public award ceremonies at the NLTP. We will also present the Distinguished Public Service Scholarship award to support current students who demonstrate academic excellence, dedication to community service, and are interested in a career in public service.

The FAPAC was established in 1985 as a 501(c)(3) nonprofit organization that represents all civilian and uniformed services AANHPIs of all levels. We promote equal opportunity, cultural diversity, civic participation, and the advancement of employees in the government workforce through education, mentoring, and professional development. This complete package outlines the sponsorship and partnership opportunities for the FAPAC 2024 National Leadership Training Program. It is also customizable to fit your needs. Please visit www.fapac.org/NLTP2024 for additional details or contact NLTP@fapac.org if you have any questions and to commit your level of support in this effort. I am very excited and looking forward to working and partnering with you.

Sincerely,

Fahmida Chhipa
President, FAPAC
