## Candidate for Vice President for Technology and Media Communication Federal Asian Pacific American Council (FAPAC)

Dear FAPAC Members and Colleagues,

My name is Thong Vu and currently serving as the VP for Technology and Media Communication. I have accepted the nomination for VP for Technology and Media Communication again and seek your support and votes. I am honored to serve with INTEGRITY, HONESTY, and RESPECT. I understand my role and responsibilities. I will keep FAPAC current regarding updated technology and media communication; oversee the operations of the FAPAC website; and assess the need for media communication publicly to meet the mission of FAPAC and make recommendations to the President.

Currently I am working at Federal Aviation Administration (FAA) as a webmaster/SharePoint design engineer for Investment Process Management (IPM) Division. I have over 15 years of managing various projects. I hold a Bachelor of Science Degree in Electrical Engineering from the University of New Mexico.
